

RatSledge™

The RatSledge has a forged steel head that is made in the USA (Heat Treated ASME B 107.400-2008 (B 107.54) in accordance with ASTM E 18 to HRC45-60). The tactical black composite handle has a fiberglass core for excellent strength while providing shock resistance. Oversized end cap gives excellent control.

Part Number	Overall Length	Head weight
SH20-6	20"	6 lbs
SH24-6	24"	6 lbs
SH24-8	24"	8 lbs
SH30-8	30"	8 lbs
SH30-10	30"	10 lbs
